

As your broker, we can provide you with a unique claims service, which ensures you get the best out of your policy when you need it most.

We recognise that if a disaster strikes, you will want prompt, cost effective, professional representation on your side, to guide support and assist you in your claim for the damage to your property. Dedicated professional assistance and speedy submission of claim details can best enable you to recover from a loss with the least amount of stress.

Renewal of your policy guarantees professional assistance on all property damage claims up to €15,000 during the currency of your policy with us. Should you be unfortunate enough to suffer a loss greater than this, you will be able to avail of preferential rates for independent professional representation, if you should require it.

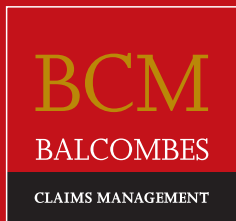

In conjunction with **Balcombes Claims Management Ltd.** who have been representing claimants in Ireland for over 40 years, we want to guarantee a successful outcome for you the Policyholder.

You will receive prompt, professional attention and advice, on the damage to your property, the preparation of your claim and the negotiation of your settlement, with your insurer or their appointed loss adjuster.

Protecting the Policyholder's Position
